

Template and Grading Key for Word Mapping
9th Grade

Grading

Word/Part of Speech/Language of Origin = 1 point

The word must be spelled correctly, the part of speech must be present

If there is no Language of Origin indicated for this form of the word, check the dictionary for the root form

Guess = 1 point

Try-a serious attempt must have been made

Definition = 1 point

One definition which matches the context in the example sentence

Sentence = 1 point

Compose an original sentence using the word-spelling and grammar must be correct

Other Forms/Synonyms/Antonyms = 1 point

There must always be at least one other form, even if it is only been made plural

There is usually another word that means the same thing, check the dictionary or a thesaurus

Most words have an antonym, however, some do not. Make every effort to identify one.
